INFORMATION DISCLOSURE STATEMENT

Applicant directs the attention of the Office to the documents listed on the attached Form PTO-1449 substitute, that may be relevant to the examination of this application.

The documents listed were cited in an International Search Report issuing on an application corresponding to this application (claiming the priority of the same provisional application), and their relevance is believed to be as explained in the ISR. No translation of the French published application is known to the applicant, and an Esp@ce abstract is enclosed. The Examiner is requested to initial and return a copy of the form with the next communication on this application.

No representation is made by this Information Disclosure Statement that a search has been made; or that the information disclosed is, or is considered to be, material to patentability under 37 CFR 1.56(b).

Respectfully submitted,

Derek P. Freyberg
